HOW TO APPLY FOR MOCK ASSESSMENT

How to apply for MOCK Assessments

You need to have registered on FutureSkills Prime Platform to take up the Assessments

What are SSC assessments ?

These **comprehensive assessments** have been designed for FutureSkills Prime(FSP) incorporating **AI based proctoring tools**. These assessments will help students gauge their true abilities and understanding of the course.

Below are the salient features of FSP Course assessments:

1. Assessments are based on the **performance outcomes of the competency standards** (NOSs) of the course

2. Duration of FSP Assessment ranges from **60mins to 90mins**. These are Online proctored assessments

3. Assessments have **multiple choice questions** with one or more correct answers. Each question has a separate set of instructions specific to that question.

4. Candidates can take Mock Assessment of any course (free) **only once**. But they may take the final assessment of the course (paid) more than once. They have to pay for each attempt, every time the final assessments taken.

5. The **cost of the assessment on FSP is 600** /- (inclusive of GST) . 1 assessment in each category can be reimbursed through incentive scheme on successfully clearing the assessment (50% and above).

6. Post purchase of assessment, learners have 90-day validity period to complete the assessment. Multiple attempts are allowed to aim for and achieve the requisite certification w.r.t. an assessment, however, the incentive will be provided to an eligible Subscriber /learner only once per category.

Step 2: After finding the course that you have completed, select the Mock assessment for that course to get an idea of the Assessment interface. This mock assessment is free of cost and can be accessed by the candidate only once.

Step 3: Start the Mock Assessment by Clicking on the button Start exam and complete the Assessment.

Frequently Asked Questions

Q:What happens if the learner leaves the exam before completing the questions. Would he be marked failed?

Ans: The countdown timer for the assessment will not stop and once the time is over the assessment will be submitted with the responses captured. In case of interruptions like system crash or electricity/internet issues. Learner can resume the assessment within 30 mins from the time when the assessment was shut down. Post 30 mins the assessment will not be available for restart and will be treated as complete.

Q: Is there a limit to the number of SSC assessments attempts a learner can take ?

Ans: There is no limit on the number of attempts.

Q: Can a person who clears the assessment take the assessment again?

Ans: There is a restriction.

Q: Can a person take the second assessment before the result of the first assessment is announced?

Ans: Ideally the result is available almost instantly, but the reattempt can only be taken after the score is available.

Q**: Can a person who fails the assessment take the assessment again?**

Ans: Yes, by paying the assessment fee again.

Q: Is the learner eligible for GOI incentives for subsequent attempts?

Ans: Yes

Thank You
